Annual return for a third-party campaigner organisation

This guide is to help you, a third-party campaigner organisation or their registered agent, complete an annual return using VEC Disclosures. This is required under Part 12 of the *Electoral Act 2002* (Electoral Act).

The reporting period for the annual return is from 1 July to 30 June.

VEC Disclosures

This guide explains how to complete an annual return using VEC Disclosures.

[VEC Disclosures](#) is our purpose-built portal that allows users to disclose political donations and submit required annual returns. Political donations are money, services (including paid labour), loans, guarantees or property (including a loan of assets).

Web browser capability

VEC Disclosures works on multiple web browsers. You can access VEC Disclosures on a mobile device, however, the best user experience is on your desktop or laptop computer.

Entity details

It is your responsibility to make sure your entity details are correct. To update your details click 'manage entity' on your dashboard.

Audit requirements

You must submit the following mandatory documents with your annual return.

1. An audit certificate from a registered company auditor within the meaning of the *Corporations Act 2001* of the Commonwealth.

As outlined in section 209(3) of the Electoral Act, the audit certificate must state the auditor:

- a. was given full and free access, at all reasonable times, to all accounts, records, documents and papers relating directly or indirectly to any matter required to be specified in the statement
- b. examined the material referred to in paragraph (a) for the purpose of giving the certificate
- c. received all information and explanations that the auditor requested in respect of any matter required to be specified in the statement
- d. has no reason to believe that any matter stated in the statement is not correct.

Download the [VEC audit certificate template](#).

Due date

The financial year annual return can be submitted from 1 July each year and is due by **11.59 pm 20 October**. You must submit your return using VEC Disclosures each year.

We are required to publish annual returns on VEC Disclosures by 31 December each year.

Offences

Offences include (but are not limited to):

- failing to submit on time (200 penalty units)
- providing false or misleading information (300 penalty units and/or 2 years imprisonment).

A full list of fees and penalties can be found on the Department of Treasury and Finance website: [Indexation of fees and penalties | Department of Treasury and Finance Victoria \(dtf.vic.gov.au\)](https://www.dtf.vic.gov.au/indexation-of-fees-and-penalties)
