

Electoral Representation Review – Boroondara City Council - Response Submission
Amanda Jeuniewic – Ashburton – 7 May 2019

I support 'Option A.' \s\s

\s\s

I also support capped terms for all Councillors, so we can inject some fresh ideas and a fresh approach to the way our community is engaged and consulted. \s\s

\s\s

I expect every Boroondara representative to actually represent us - the ratepayers - and avoid resorting to aggressive and threatening tactics if we dare to disagree with (or challenge) their views. \s\s
