**Subject:** Boroondara City Council Representation Review 2019 Preliminary Report

My name is Les Pradd and I am a resident of the City of Boroondara.

[REDACTED]

I previously made a submission to this review and have received the preliminary report.

I support Option A as the recommended outcome of this review.

My reasons are -

The boundaries look appropriate for the areas to be covered for each Councilor

Having multi-Councilor wards should enhance the diversity of the Council

Increasing the number of Councillors appears appropriate due to the increase in population for the area.

Thanks and best wishes

Les Pradd
