Dear Madame / Sir at the Victorian Electoral Commission,

I am emailing in support of the current ten single-councillor wards for Boroondara City Council. It works well in the current form and too often change is made for change's sake.

With single member wards, elected representatives are easier to access, the representative has a greater understanding of the local area and its issues, and is more accountable to us. Our representatives should have a close connection to their community.

I urge you to keep Boroondara with ten single-councillor wards.

Yours sincerely,

Dinny Birrell (a 3rd generation Boroondara resident)
