Dear Victorian Electoral Commissioner

We have read with concern about the proposed change to our current ten single councillor ward structure.

My wife and I think that the current number of councillors for Boroondara is appropriate and provides very good representation to its residents. We are unaware of any great increase in the number of residents which would warrant making this change. .

We do not want any changes made to the current ten single-councillor wards and strongly support keeping Boroondara local.

Our local ward councillor represents our ward extremely well and is across all key issues. He makes himself available for residents.

Thank you and regards

Cameron
