To whom it may concern,

I am writing in support of multi-councillor wards in the City of Boroondara. A proportional representation system is the most democratic way to represent our community. I live in the BelleVue Ward and at the last council election there was only one candidate – the sitting member- so we didn't even have a vote. I think multi councillor wards would stop this situation occurring where we feel we really have no say in our representative. This is especially the case when they do not represent my views at all. In a multi councillor ward hopefully there would be a councillor who would listen to my concerns.

Thank you for your consideration.
Lynn Gray
