

Electoral Representation Review - Boroondara City Council - Preliminary Submission
Riverdale Soccer Club - Camberwell - 12 March 2019

As President of the Riversdale Soccer Club, a community sports club located in the Lyden Ward, I could not be happier or more enthusiastic with the attention and focus given to our 500 club members by Councillor Lisa Hollingsworth.

With Councillor Hollingsworth active support and strong engagement, we have been able to maintain a consistent dialogue and the Councillor has been very adept at following through on issues.

I have read the VEC Submission and assessed the pros and cons of the various models and I wish to state my support for the retention of the current single councillor ward structure within Boroondara
