To whom it may concern,

I am writing in support of multi-councillor wards in the City of Boroondara. A proportional representation system is the most democratic way to represent our community.

The present system tends to elect the same kinds of candidates in every ward, disenfranchising a substantial part of the community.

I feel very strongly this is not nearly as democratic as it could be.

We should do what many other councils did long ago and introduce multi member wards.

Thank you for your consideration.

Jonathan Smithers
