To whom it may concern,

I am writing in support of multi-councillor wards in the City of Boroondara. I am concerned that the City of Boroondara seems to be holding out against this system and am equally concerned by the make up of our council which does not reflect the diversity of population and interests in the City. Having attended various council / committee meetings, I am struck by the homogeneity of the council. I believe that a multi-councillor wards will help right this imbalance and produce a more truly democratic representative council.

Thank you for considering my submission.

Regards

Sally Staddon
