Dear VEC,

This email is in regards to the electoral representation review by the VEC of Boroondara City Council. In the Preliminary Report of 10 April 2019, three options are proposed. Of those 3 options, I prefer **Option A**, which is:

Boroondara City Council consist of eleven councillors elected from four wards (three three-councillor wards and one two-councillor ward).

I prefer this option as I think it will prevent one political party from gaining too much control of the local council, and allow for a greater diversity of views on the council that will reflect the greater diversity of views in the citizens.

Kind regards,

Matthew C. Wheeler
