RE : Response submissions to the preliminary report
Glenelg Shire

In response to the Preliminary Report into the Representation Review, I believe that the best option is Glenelg Shire Council consist of seven councillors elected from an unsubdivided electoral structure. This is Option A in the report.

An unsubdivided shire gives the voters a selection of many prospective councillors, regardless of where they live , and will provide a number of people conversant with and responsive to the needs of an entire shire.

Yours sincerely,
Meredith Newman Debens
