Introduction

Good morning, this is the Victorian Electoral Commission. My name is Sonia. How may I help you?

Hi my name is Mohammed. I am a student and I have homework about the Australian government and elections. My teacher told me to ring you for information. Can I ask you some questions?

Hi Mohammed, yes, I can give you the information you need. What would you like to know?

Why is voting important?

Why does the teacher say that voting is important in Australia?

Because Australia is a democracy. We vote for people who make laws and decide on services for us. That is why voting is very important.

Levels of government

How many levels of government are there in Australia?

In Australia, there are three levels of government: Federal, State and local.
**Federal Government**

*How do they differ?*

This is Australia’s Parliament House. It has two houses: House of Representatives or Lower House and Senate or Upper House.

The Federal Government is in Canberra. It makes decisions for all of Australia. For example: immigration, tax, Centrelink, Medicare and defence.

The leader of the Federal Government is the Prime Minister.
State Government

What about the State Government?

This is Parliament House Victoria.

It also has two houses: Legislative Assembly or Lower House and Legislative Council or Upper House.

The Victorian Government is in Melbourne.

It makes decisions for the State of Victoria. For example: schools, hospitals, public transport, housing and police.

The leader of the State Government is the Premier.
Local Councils

And Local Government?

Local Government or local council.

You vote in the council area in which you live.

Local councils make decisions about local issues.

Councils look after rubbish collection, parks, community centres, childcare, parking, libraries, swimming pools, youth centres, cultural festivals and other services.

The leader of your local council is the Mayor.
What does the VEC do?

**What does the Victorian Electoral Commission do?**

The VEC is an independent organisation. We are not a government department. We run State and Local Government elections, and other community polls. We teach people how to vote correctly. We also look after the electoral roll.

**What is the electoral roll?**

It is a list of Australian citizens aged 18 and over who have enrolled to vote. It shows their name and current address.
Who can vote

Who can vote in Australia?

All Australian citizens aged 18 and over must enrol and must vote at every Federal, State and local council election.

Non-citizens who pay council rates can enrol to vote at council elections only. This is a special rule.

Are you enrolled to vote?

No

Are you an Australian citizen and over 18 years old?

Yes. I am. How do I enrol?

You can get an enrolment form from a post office, fill it in and send it to the VEC. If you want help to fill in a form, please ring us on 131 832 or on an interpreter line 9209 0112. You can also get one from our website vec.vic.gov.au

Thank you for the information. I will get an enrolment form after this conversation.

What happens if I move house?

It is very important that you let us know if you move to a new place or change your name. You can use an enrolment form to update your details and send it to us.
How do I vote?

How do I vote?
In Australia, we use numbers when voting. Let’s look at how to vote in Victorian State elections. You get two ballot papers: a smaller one for the Lower House and a bigger one for the Upper House.

To vote for the Lower House, write 1 next to the name of the candidate you would most like to win the election. Then write 2 for the candidate you like second, 3 for the one you like third and so on, until every box is numbered.

To vote for the Upper House, you can vote above-the-line or below-the-line.

To vote above-the-line, pick one party who you want to win and write the number 1 in a box next to the party’s name above the black line.

To vote below-the-line, you need to pick at least five candidates.

Write the number 1 in the box next to the candidate you would most like to win the election. Then write 2 for the candidate you like second, 3 for the one you like third, 4 for the one you like fourth and 5 for the one you like fifth. You can number more candidates if you wish, but you must choose at least five candidates.

Can the VEC teach us how to vote?
Yes, we can. Please contact us. We can come to you and teach your community how to vote.

Do I have to vote if I am overseas when there is an election?
You are encouraged to vote, but you will not be fined if you do not vote. Please keep your tickets to show us that you were overseas.
**Conclusion**

*Hmmm, ok. I think I can do my homework now. Thank you very much for your help.*
